RESPONSE TO NOTICE TO FILE MISSING PARTS

Honorable Director
of Patents and Trademarks
Washington, D.C. 20231

Dear Sir:

In response to the notice to file missing parts issued November 15, 2001, submitted herewith is the declaration for this application, duly signed by the inventors. Also submitted herewith is a check in the amount of \$130.00. The requirement for a Declaration has therefore been met.

The Notice to File Missing Parts also refers to drawing sheets without proper margins. That is not understood, since when the application was filed, it was believed that proper margins were provided. Nevertheless, the enclosed copy of the application, to which the Declaration is attached, has drawings with proper margins.

Finally, it is noted that the Patent and Trademark Office continues to use the wrong filing date for this application. As indicated in the request mailed November 8, 2001, the filing date for

this application is clearly October 11, 2001, not October 12, 2001. It is requested, again, that the Patent and Trademark Office properly identify the filing date for this application.

January 15, 2002

Respectfully submitted,

William M. Lee, Jr.
